

UNIVERSITY *of*
DENVER

PHYSICS AND ASTRONOMY

A RESEARCH OVERVIEW

Wednesday, September 14, 2022

4:00 PM

Olin Hall, Room 205

Presented by

The Faculty of the Department of Physics & Astronomy

In the first colloquium of the year, the faculty of the Department of Physics and Astronomy will present an overview of their research for students and faculty of DU. Following the presentation, all interested DU graduate students and faculty are invited to join us for a social hour and discussions about the future joint interdisciplinary research and educational activities.

**Refreshments from 5:00 – 6:30 PM
in the Olin Rotunda**
